La hora de aprender

Programa educativo en español para niños de 0 a 6 años cuyo idioma es el español. Este programa gratuito concluye con una graduación y certificados para los niños participantes.

Sábados, 2-2:45 pm

Earth in Motion

Duck and cover! In this class, students become earthquake experts, studying the tectonic forces that trigger quakes and engineering structures to withstand them. We'll also learn how those same tectonic forces work slowly over millions of years to sculpt mountains, shift continents and shape the land we live on today. *Registration required; register online, in the library or by calling 503.988.5123.*

Friday, February 2, 3-4 pm

Muñecas de Quinceañeras / Quinceañera Dolls

La artista local María Alvarado les mostrará cómo hacer una deslumbrante muñeca de quinceañera. La fiesta de quince años es una celebración tradicional que marca la transición de una joven que se convierte de niña en mujer. Este taller es para madres e hijas de todas las edades. Se proporcionan todos los materiales.

Sábado, 17 de febrero, 3:30-5:30 pm

FOR KIDS AND TEENS

Legos @ the Library

Bring your mad Lego skills to the library and let your imagination flow. Each time, we'll build a new structure to put on display. For kids ages 5-11.

Thursday, February 8, 4-5 pm

Thursday, February 22, 4-5 pm

Dollar Bill Origami

How fun would it be to leave a tip or give pocket money if your dollar bill is folded into a cute animal or an accessory? In this program, instructor Yuki Martin will introduce some fun origami models that can be folded out of dollar bills. These models may range from simple traditional models to a little more challenging models, designed by a local artist and the author of *The Dollar Bill Origami Book*, Janessa Munt, with her permission. Bring some crisp new dollar bills if you have any, but even if you don't, the instructor will provide some "practice" dollar bills. For teens in grades 6-12.

Saturday, February 10, 11 am-12:30 pm

FOR ADULTS

Pageturners

Read *The Golden Age* by Joan London. Thirteen-year-old Frank Gold has just escaped WWII Poland when he is diagnosed with polio. He is sent to a children's hospital where he meets Elsa, the most beautiful girl he has ever seen. Engage in conversation about books and get to know your neighbors. Sponsored by the Friends of the Library.

COMPUTER CLASSES

Mac Basics Class

Learn the tools you need to navigate around your Mac computer. Patrons will need to bring in their own Macs to participate. Want to participate in more advanced makerspace classes but don't know how to use a Mac? Never fear! We will teach you the basics of how to use a Mac so you can register for a laser cutting workshop in no time. Or are you just curious about the difference between Windows PCs and Macs? We will talk about the differences and explore Mac shortcuts, Finder, Safari and more. *Registration required; register online, in the library or by calling 503.988.5123.*

Tuesday, February 20, 12-2 pm

Windows 10

Are you confused by your new operating system? Bring your own Windows 10 laptop or tablet to this class to learn the basics of Windows 10. You will learn what's new in Windows 10, how to navigate the Windows 10 start menu, basic Windows 10 settings, and what apps mean in Windows 10. This is a class for beginners. *Registration required; register online, in the library or by calling 503.988.5123.*
