January 2021
We're here to support your family through home learning.

Cooking is learning

Cooking with family can be a real learning experience. Did you know you can learn math, science and new words? We’ve got some ideas on bringing the classroom into the kitchen, including the best homework ever, tasting your creations!

Talking with kids about healthy eating

Eating healthy food is important, but sometimes kids of all ages need a little help understanding why. We’ve got some ideas, and some books, to help.

Get ideas

Play with your food

You might have heard — or even said — “Don’t play with your food!” Turns out playing with food is an important part of your child’s development. This does not include food fights!

Have fun
