

Library Connect Resources for Elementary Educators

[Live Homework Help](#) - Chat one-on-one with a live tutor who will help students of all ages understand their homework. Available 2 pm to 10 pm daily in English and Spanish.

E-books and streaming

	<p>OverDrive Kids: Read e-books or download digital audiobooks for kids and teens. The Libby app is available to download for mobile devices.</p>
	<p>Hoopla Kids: Stream movies, music, comics, TV and more. Turn on the Kids mode (in upper right corner) to find children's materials. An app is available to download for mobile devices.</p>
	<p>Kanopy Kids: Stream movies and TV shows, including many based on children's books. An app is available to download for mobile devices.</p>

Research Databases

	<p>CultureGrams: Search for up-to-date facts and cultural information about countries around the world and states in the U.S.</p>
	<p>ImageQuest: This resource provides images from multiple sources for your personal or educational use.</p>
	<p>Kids InfoBits: For kids in Kindergarten through grade 5, use this source to find articles, maps, charts and pictures.</p>

	<p>Mango Languages: Learn a new language online. With more than 40 languages, including English for non-English speakers. Includes the Little Pim program for young children.</p>
	<p>National Geographic Kids: Articles, ebooks, images and videos from National Geographic Kids. [Currently accessed through National Geographic Virtual Library, but we're working to get a link directly to the Kids' version.]</p>
	<p>World Book Kids: Find articles, pictures and videos for kids from the World Book Encyclopedia.</p>
	<p>World Book Spanish/Enciclopedia Estudiantil Hallazgos: Search the Spanish language version of the World Book Encyclopedia.</p>
