La Ratoncita Presumida / Vain Little Mouse

Un cuento popular bilingüe de Venezuela, nuestra pequeña heroína piensa que es demasiado buena para aceptar la propuesta de un ratón común, no importa cuán enamorado esté él. De hecho, ella apunta a los partidos 'más valiosos', como el sol, el viento y la montaña. Sin embargo, su búsqueda por un pretendiente perfecto digno de su amor la devuelve directamente al pequeño ratón romántico que se le propuso por primera vez. Esta producción presenta música popular venezolana, un conjunto de títeres con forma de montaña venezolana. *In this bilingual folktale from Venezuela, our tiny heroine thinks herself much too fine to accept the proposal of a common mouse. She sets her sights on "worthier" matches, like the sun, the wind and the mountain. Yet, her search for a perfect suitor worthy of her love brings her right back to the romantic little mouse who first proposed. This Tears of Joy production features Venezuelan folk music, a puppet set shaped like a Venezuelan tabletop mountain, adorable puppets and a costumed performer.*
